About the Author

Harvey Diamond is the world-renowned coauthor of the #1 New York Times best-seller, *Fit for Life*, which held that position for an unprecedented forty straight weeks and has sold over 12 million copies worldwide. Mr. Diamond has dedicated thirty-plus years of his life to the development of a truly healthy lifestyle. In pursuit of that goal, he overcame a debilitating, longtime digestive disorder, ended his migraine headaches, lost over fifty pounds, and in a stunning validation of his methods, triumphed over a condition called peripheral neuropathy (brought about by Agent Orange poisoning while serving his country in Vietnam). His energy, charisma and relaxed, conversational style have made him a sought-after guest expert on countless radio and television shows, including: Oprah, Geraldo, Nightline, Larry King Live, Live with Regis, The Today Show, and many others.

Diamond is a Phi Beta Kappa, Magna Cum Laude graduate of New York University. She has certification in nutritional counseling from the American College of Health Science.
