Hamlet (Ilustrados (Hardcover)) William Shakespeare

Taking place in Denmark, this play tells how Prince Hamlet carries out his revenge on his uncle Claudio, who had killed his father, the king, married his mother, Gertrudis, and flaunted the Danish crown. This work is vividly traced around madness and explores issues such as treason, revenge, incest and moral corruption.

Situada en Dinamarca, esta obra teatral relata como el principe Hamlet lleva a cabo su venganza sobre su tío Claudio, quien asesina a su padre, el rey, casandose con su madre, Gertrudis, y ostentando la corona de Dinamarca. La obra se traza vividamente alrededor de la locura (tanto real como fingida) y en ella se percibe el transcurso en el animo del principe del profundo dolor a la desmesurada ira. Ademas explora los temas de la traicion, la venganza, el incesto y la corrupcion moral.
