Review

'the man had style and wit and was a great influence on the theatre of his time' **Hamish Coghill, Evening News** From the Inside Flap

The four great comedies of Oscar Wilde, *Lady Windermere's Fan*, *A Woman of No Importance*, *An Ideal Husband* and *The Importance of Being Earnest*, were all written at the height of the controversial Irish author's powers in his last, doomed decade, the 1890s. They remain among the most-loved, and most-quoted, of all drama in the English language. Along with *Salome*, his darkly decadent dramatization of the Bible story, these immortal plays continue to pack theatres, and have been adapted for every kind of media. This Macmillan Collector's Library edition echoes the book form in which Wilde originally insisted his plays were published, and includes illustrations by Aubrey Beardsley and an afterword by Ned Halley. From the Back Cover

'[Earnest] remains a thing of inimitable brains and beauty; the sharpest of social satires, wrapped in the most perfect of gossamer-light romantic comedies' *Scotsman*

Who would have thought a comedy of manners written more than a hundred years ago would still be so apt and so funny? Oscar Wilde was a genius of play-writing, and his deftness, wit and sharp eye for social satire keep audiences in thrall to this day. Alongside *Earnest*, discover a biblical tragedy retold, *Lady Windemere* and her infamous fan and Wilde's take on an ideal husband, in this selection of Wilde's most important plays.

See also: *The Picture of Dorian Gray*
