*William Shakespeare*

**Henry V: The Oxford Shakespeare (Oxford World's Classics)** William Shakespeare

Gary Taylor (Editor) Henry V, the climax of Shakespeare's sequence of English history plays, is an inspiring, often comic celebration of a young warrior-king. It is also a study of the costly exhilarations of war, and of the penalties as well as the glories of human greatness. In this edition, Gary Taylor shows how Shakespeare shaped his historical material, examines controversial critical interpretations, discusses the play's fluctuating fortunes in performance, and analyses the range and variety of Shakespeare's characterisation. Publisher: Oxford University Press Paperback ISBN 9780199536511

From the Back Cover

Henry V, the climax of Shakespeare's sequence of English history plays, is an inspiring, often comic celebration of a young warrior-king. But it is also a study of the costly exhilarations of war, and of the penalties as well as the glories of human greatness.

About the Author  
Gary Taylor is Professor of English, Brandeis University. Associate Editor of the *Complete Oxford Shakespeare*, he is also the author of several critical studies of Shakespeare and his works.
