Complete PET for Spanish Speakers offers the most authentic preparation available for the Cambridge ESOL exam. Informed by the Cambridge Learner Corpus, and providing an official PET past exam paper from Cambridge ESOL, Complete PET is the most authentic exam preparation course available. Each unit of the Student's Book covers one part of each PET paper and provides thorough practice for the exam. Grammar and vocabulary exercises target areas that cause most problems for PET candidates, based on data taken from real candidate scripts on the Cambridge Learner Corpus. The CD-ROM provides additional exam style practice. The English for Spanish Speakers edition provides specific help for Spanish-speaking students and a PET for Schools practice exam.
