Learn Spanish! More than 100 didactic texts to learn and improve your Spanish: Learn vocabulary and grammar while you are reading (Spanish Edition) Dominik Wexenberger, Jessika Aideth Miranda

This book offers you a whole course to learn Latinamerican Spanish!

More than a 100 didactic texts and more than 50 topics and different levels are waiting for you.

It has a didactic structure and will help you to learn Spanish from 0.

The book starts with basic concepts and gets more complex with every topic.

Each topic has the goal to teach you a small bit of grammar and vocabulary.

Each text will help you to improve and develop your feeling of the language.

The texts are short. Therefore you can analyze, study and understand them in approximately 15 minutes.

This book will feel to you like a walk through the topics, the vocabulary and the grammar of the Spanish language.

And when you arrive at the end of the walk you will already know quite a lot of Spanish!

Make it a habit and study on a daily basis!

The book will help you to progress visibly up to a level that is enough to read novels, newspapers and other texts on your own.

If you really want to learn Spanish, this book will help you and guide you so that you can achieve this goal.

We are using the book in all our classes.

We teach at an university as well as in groups as well as in private classes.

All our students are very satisfied with the help our books provide to them.
