Deconstructing Osama: The Truth About the Case of Manbaa Mokfhi Joan Fontcuberta

Shocking Photos Chilling documents Secrets revealed The amazing scoop from the Al-Zur News agency. A Project by Joan Fontcuberta. In November 2006 Al-Zur the Qatar-based news agency] photojournalists, Mohammed ben Kalish Ezab and Omar ben Salaad, pulled off one of the most stunning scoops in the annals of investigative journalism. Ben Kalish and Ben Salaad followed the trail of Dr. Fasqiyta-Ul Junat, a leader of Al Qaeda's military wing. This is how Joan Fontcuberta's latest fiction project starts. A complex and ironic vision of how Western World envisages the arabic world. Photography and deception meet in this publication, which will not leave you indifferent.

Review

"A surprising and beautiful book... Actar has published an impressive object... [The] book's opposition to everything we want to believe, showing us the failings of the way we perceive the world, must surely make it one of the most important publications of the season."

A surprising and beautiful book... Actar has published an impressive object... [The] book's opposition to everything we want to believe, showing us the failings of the way we perceive the world, must surely make it one of the most important publications of the season. -- Foam, International Photography Magazine
