Jane Austen

Persuasión Jane Austen

Persuasion narra la historia de una mujer madura, sensible y menospreciada, que años después de haber rechazado al hombre que amaba, persuadida por un mal consejo, ve como este reaparece en su vida, rico y honorable pero aun despedido. Una mujer que quizá por primera vez en la historia de la novela debe luchar para que el amor le conceda una segunda oportunidad. Esta obra se considera una de las novelas más oscuras de Jane Austen, sin duda la más crítica con la sociedad de la época. Obligada a conducirse prudentemente en su juventud, con la edad se volvía cada vez más romántica: esa era la consecuencia lógica de su iniciación antinatural. **ENGLISH DESCRIPTION** First published in 1818, Persuasion was Jane Austen's last work. Its mellow character and autumnal tone have long made it a favorite with Austen readers. Set in Somersetshire and Bath, the novel revolves around the lives and love affair of Sir Walter Elliot, his daughters Elizabeth, Anne, and Mary, and various in-laws, friends, suitors, and other characters. In Anne Elliot, the author created perhaps her sweetest, most appealing heroine. At the center of the novel is Anne's thwarted romance with Captain Frederick Wentworth, a navy man Anne met and fell in love with when she was 19. At the time, Wentworth was deemed an unsuitable match and Anne was forced to break off the relationship. Eight years later, however, they meet again. By this time Captain Wentworth has made his fortune in the navy and is an attractive "catch." However, Anne is now uncertain about his feelings for her. But after various twists and turns of fortune, the novel ends on a happy note. In Persuasion, as in such novels as Sense and Sensibility, Pride and Prejudice, and Emma, Austen limned the plight of young women who could escape the constraints of family life only by marrying, and suggest the foolishness of women who believed they were free and not dependent on the financial and social resources of men. At the same time, Persuasion offers an ironic and subtle paean to the true love that enables one woman to rise above straitened economic circumstances and the stifling social conventions that restricted women to narrowly circumscribed lives in the common sitting room. Sure to appeal to admirers of Jane Austen, Persuasion will delight any reader with its finely drawn characters, gentle satire, and charming re-creation of the genteel world of the 19th-century English countryside.
